1 Operating Systems

Hardware is everything you can see and touch on a computer.

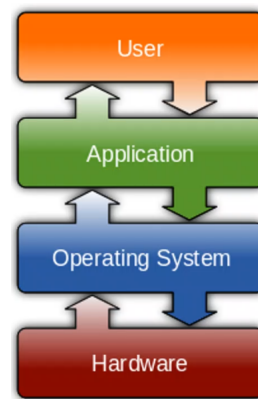

Figure 1: Computer System Components

Random Access vs Sequential Access

- Accumulator in Registers: 1:19:00
- Buses after it: 1:20:00
- OS Categories: 2:00:00
- IPC: 2:30:00

Read:

- $28 \rightarrow 32$

Distributed Systems, Operating Systems, and Parallel computing course on Mahara tech

Scheduling Algorithms:

- First come first serve
- Shortest job first
- Round robin
