Definition list in HTML

```html
<dl>
  <dt>Definition List Title</dt>
  <dd>This is a definition list division.</dd>
</dl>
```

For bold, italic, and underline text

```html
<p><strong>This is bold text</strong></p>
<!-- OR -->
<p><b>This is bold text</b></p>

<p><em>This is italic text</em></p>
<!-- OR -->
<p><i>This is italic text</i></p>

<p><u>This is underline text</u></p>
```

Table footer is always placed in the bottom even if it's not in the bottom of the table code
